

Remote Deposit Capture

Bring the Bank to You

Deposit checks right from the comfort of your office desk.

Remote Deposit Capture at a glance

What it is

Remote Deposit Capture is a safe, easy and secure way to deposit checks right from your business. There's no more racing to the bank to make deposits. Plus, checks will be in your account sooner, which means better cash flow.

How it works

Remote Deposit Capture comes with a convenient check scanner that plugs into your computer. Use it to scan and deposit checks quickly and easily.

Why it's better

Remote Deposit Capture lets you securely process deposits, save time, save fuel, increase productivity and increase cash flow. And with electronic deposits, you stay more organized and won't worry about lost or misplaced checks.

What it means to you

The more you can focus on your business, the more productive you can be. Remote Deposit Capture helps save you valuable time by bringing the bank to your business.
