

# Mobile Deposit for Business

## Take the Bank with You

Deposit checks on the go wherever you want, when ever you want<sup>1</sup>

### Deposit checks for your business anytime, anywhere.

#### What it is

Mobile Deposit for Business lets you deposit checks directly from a mobile device or smartphone, no matter where you are. That versatility improves your cash flow, plus it saves money and fuel getting to and from the bank. It also lets you and your employees stay focused on your business, whenever and wherever it happens.

#### How it works

Mobile Deposit for Business uses your mobile device or smartphone as a check scanner for your accounts. This allows you to remotely scan and deposit paper checks wherever you are.

#### Why it's better

Mobile Deposit for Business takes all of the convenience of Remote Deposit Capture and makes it even more versatile. And with mobile electronic deposits, you'll stay organized without the worries of lost or misplaced checks.

#### What it means to you

You can retain focus on your business and stay productive. Mobile Deposit for Business helps you and your employees' bank on your business's schedule.

### With Mobile Deposit for Business, you'll be able to:

#### DEPOSIT

checks quickly and easily from a smartphone or mobile device

#### IMPROVE

cash flow by receiving funds faster

#### PROTECT

check deposits by securely processing them as you receive them

#### SAVE

time and money with fewer trips to the bank
